

City of Selma Recycling Program

REUSE, REDUCE, RECYCLE!!!

Thanks to a grant from the Alabama Department of Environmental Management, Selma now has a recycling drop-off program!

Compartmentalized recycling trailers will be located in strategic drop-off locations around the City, similar to successful programs implemented by other municipalities.

The trailers will be monitored regularly in order to keep contamination low. The process for drop-off will be clearly illustrated and additional educational materials about recycling will be made available.

HERE ARE SOME WAYS THAT YOU CAN HELP:

1. **Sort** your common items that are recyclable.
2. **Place** those items in a separate container in your home.
3. **Take** those items to the local drop-off center nearest you.

WHAT DO WE RECYCLE?

- **Newspaper**
- **Mixed paper**
- **Plastic**
- **Corrugated Cardboard**

LOCATION OF DROP-OFF CENTERS:

- Bloch Park/Memorial Stadium
- Old Walmart
- Broad Street Parking lot near Interpretive Center
